

All deliveries are made in accordance with government health & safety guidelines. The health & safety of our drivers and customers is our utmost priority.

We hope you will be very happy with your kerbside pallet delivery.

Here is some information you need to know about your pallet delivery;

- We offer kerbside delivery as standard
- Our driver will treat your delivery and property with respect
- Sometimes we encounter challenges that could impact your delivery such as narrow roads, steep driveways and lack of parking
- Our driver will leave the pallet in a safe place but we cant move the pallet to another location
- We are unable to take away any packaging
- Deliveries can only take place on flat and smooth surfaces, we cant deliver onto gravel or grass
